

CERTIFICATE OF REGISTRATION

Information Security Management System - ISO/IEC 27001:2013

The Certification Body of Schellman & Company, LLC hereby certifies that the following organization operates an Information Security Management System that conforms to the requirements of ISO/IEC 27001:2013

Microsoft Corporation

for the following scope of registration

The scope of the ISO/IEC 27001:2013 certification covers the Information Security Management System (ISMS) supporting Microsoft Azure, Dynamics, and other Online Services that are deployed in Azure Public, Government and Germany Cloud including their development, operations, and infrastructure and their associated security, privacy, and compliance and inclusive of the requirements and control implementation guidance of ISO/IEC 27701:2019 for a privacy information management system (PIMS) as a data processor per the statement of applicability version 2020.01.

which includes the following in-scope location(s) on pages 12 - 16

Certificate Number: **1729711-4**

Authorized by:

Christopher L. Schellman
CEO, Schellman & Company, LLC
4010 W Boy Scout Blvd., Suite 600
Tampa, Florida 33607, United States
www.schellman.com

Issue Date
August 13, 2020

Original Registration Date
November 29, 2011

Expiration Date
June 18, 2023

Certificate Version
Version 4

CONDITIONS & LIMITATIONS:

1. The aforementioned organization has a perpetual responsibility to maintain compliance with ISO/IEC 27001:2013 during the period of certification.
2. This certificate is subject to the satisfactory completion of annual surveillance audits by Schellman & Company, LLC
3. ISO/IEC 27001:2013 compliance audits are not designed to detect or prevent criminal activity or other acts that may result in an information security breach. As such, this certification should not be construed as a guarantee or assurance that an organization is unsusceptible to information security breaches.
4. The information in this document is provided "AS IS", without warranties of any kind. Schellman & Company, LLC expressly disclaims any representations and warranties, including, without limitation, the implied warranties of merchantability and fitness for a particular purpose.
5. This certificate is the property of Schellman & Company, LLC and is bound by the conditions of contract. The authenticity of this certificate can be validated by contacting Schellman & Company, LLC

CONDITIONS & LIMITATIONS:

1. The aforementioned organization has a perpetual responsibility to maintain compliance with ISO/IEC 27001:2013 during the period of certification.
2. This certificate is subject to the satisfactory completion of annual surveillance audits by Schellman & Company, LLC
3. ISO/IEC 27001:2013 compliance audits are not designed to detect or prevent criminal activity or other acts that may result in an information security breach. As such, this certification should not be construed as a guarantee or assurance that an organization is unsusceptible to information security breaches.
4. The information in this document is provided "AS IS", without warranties of any kind. Schellman & Company, LLC expressly disclaims any representations and warranties, including, without limitation, the implied warranties of merchantability and fitness for a particular purpose.
5. This certificate is the property of Schellman & Company, LLC and is bound by the conditions of contract. The authenticity of this certificate can be validated by contacting Schellman & Company, LLC
